User's Manual

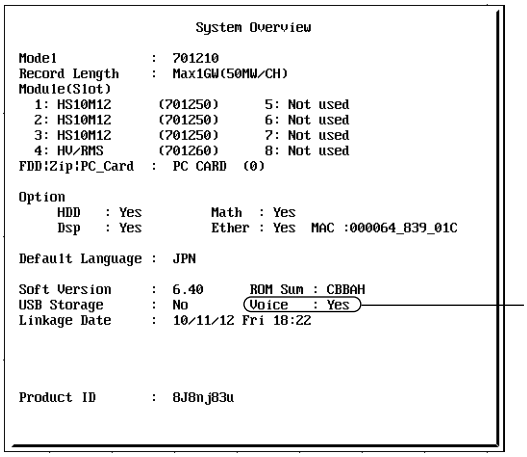
Notice of Alterations

DL750/DL750P ScopeCorder Operation Guide

Please make the following alterations to the User's Manual IM701210-07E.

■ Voice functions

Voice functions are not available on products that are ordered on 15th November 2010 or later.

- Voice memo function
- Voice comment function
- Voice search function


When Voice:Yes appears in the overview of the firmware version 6.40 or later, the voce functions are available.
